Non Profit Management for Senior Executives (NPMfEx)

Non Profit Management for Senior Executives

Programme Overview

The Certificate in Nonprofit Management for Senior Executives is designed to strengthen the leadership, governance and management capacity of experienced executives working in or with nonprofit organisations. The program equips participants to deal with strategic and high-level challenges and opportunities in their organisations and community.

It is designed as a highly practical and experiential executive leadership course to refine the skillsets of nonprofit leaders. The certificate program also gives participants the opportunity to create a network of local, national and international nonprofit executives committed to working across organisations, communities, and sectors to address public needs.

Programme Modules

Programme Modules will include

- Corporate governance and board effectiveness
- Responsible leadership and ethics
- Succession planning, human capital and performance management
- Leading change in a VUCA Environment
- Strategic fundraising and grant management
- Impact Measurement: The Theory of Change
- Partnerships, collaboration, and stakeholder engagement

Key Learning Outcomes / Takeaways

Nonprofit Management for Senior Executive participants will

- Develop effective 21st Century Nonprofit Leadership skills and craft strategic goals to improve leadership practices.
- Refine their board governance, strategy and talent management capacity.
- Learn strategic practices for leading and managing change in their organisations and society.
- Develop leadership tools necessary to influence policy decisions, encourage collaboration, and build coalitions
- Leverage techniques for fundraising, grant management, and stakeholder engagement.
- Explore strategies for building and sustaining partnerships.

Target Audience

This programme is open to experienced executives and leaders who work in the Nonprofit Sector and/or run Non-Governmental Organisations (NGOs). To be admitted, applicants should have at least 5 years of working experience.
