Programme date
October 13, 2026

Mode of delivery
Hybrid

Duration
3 days

Fee
₦850,000
Excluding VAT

Overview

Disruptions like the COVID-19 pandemic have pushed organisations to question their purpose, redesign how they operate, and adapt faster than ever. "Making Strategy Work in a Disruptive Environment" prepares leaders to navigate these shifts with confidence and clarity.

Through real stories, interactive sessions, and simple strategy tools, the programme shows participants how to reassess assumptions, rebuild strategic plans, and act boldly when markets are unstable. Leaders leave equipped to respond to disruption, not react to it, and turn uncertainty into opportunity.

Making strategy work in a disruptive environment" helps leaders rethink strategy, rebuild direction, and act decisively when uncertainty strikes. It provides practical tools to stay resilient, responsive, and competitive in fast-changing conditions.

Learning Objectives and Benefits

After the programme, participants will be able to:

- Understand and identify conflicts
- Understand the causes/sources of conflicts in their company
- Identify and understand their conflict management styles
- Develop conflict management skills
- Drive the resolution of conflicts among reports, team members, and colleagues

Who Should Attend

The programme is for

- Human resource managers and line managers
- Project and team leads
- Other experienced professionals who find themselves in situations where they have to resolve conflicts among team members and other employees
