

# Advanced HR Management Workshop

Transform your organisation through innovative human capital practices

Date: Nov. 17, 2026 | Duration: 2 days | Mode of Delivery: Hybrid

**PROGRAM FEE:**  
**N850,000**

## Overview

This program helps you answer that critical question. The Advanced HR Management Workshop empowers HR leaders to move beyond policy and procedure, becoming strategic partners who shape business direction, influence performance, and drive transformation.

Through an intensive, practical, and thought-provoking learning experience, participants explore the evolving expectations of HR in today's economy and how to deliver measurable value in complex, changing environments.

## Learning Objectives and Benefits

Participants on this programme will:

- Gain a clear understanding of global and local economic, social, and business dynamics shaping the future of work.
- Learn what's working and what's not in today's leading organizations.
- Strengthen your ability to translate business challenges into strategic HR solutions that drive measurable results.

## Who should attend

This program is best for C-suite and senior HR executives in both private and public sector organizations who want to deepen their strategic perspective and lead with impact. Also, business leaders and policy influencers who are looking to push themselves for exponential growth.

## Structure and Curriculum

- Understand the core principles of human capital management (HCM).
- Explore the strategic role of HCM in driving organizational performance.
- Learn best practices for talent acquisition, development, and retention.
- Identify major people-related risks within an organization.
- Understand HR's responsibility in compliance, ethics, and workforce governance.
- Learn how to design policies that minimize legal, operational, and reputational risks.
- Explore how global and local economic trends impact workforce strategy.
- Understand the impact of social issues, including diversity, inclusion, and employee well-being.
- Analyse business trends, digital transformation, remote work, automation, and their impact on HR.
