Programme Overview

The growing complexity of Nigeria’s financial services sector requires professionals who can combine technical banking expertise with a strong understanding of management, strategy, and ethics. This programme responds to that need by integrating CIBN’s core banking curriculum with LBS’s robust executive education platforms, offering a comprehensive pathway for leadership development and industry recognition. Participants gain exposure to global perspectives while grounding their knowledge in the realities of Nigeria’s financial ecosystem.

Beyond academic knowledge, the programme strengthens participants’ ability to analyse emerging business trends, implement strategic change, and adapt to evolving market conditions. By developing a mindset rooted in ethical professionalism and advanced managerial competence, graduates become well-positioned to lead their institutions responsibly and effectively.

Key Learning Outcomes

Strengthen managerial and strategic thinking capabilities to succeed in today’s complex financial environment.

Gain a thorough understanding of current business realities and implement effective change strategies.

Develop high ethical standards, professionalism, and deep knowledge of banking and general management.

Target Audience

The CIBN – LBS Chartered Banker Programme is designed for business leaders who have completed the Senior Management Programme (SMP), Advanced Management Programme (AMP), and MBA at Lagos Business School or MBA graduates from AMBA- or AACSB-accredited institutions. The programme is suited for professionals committed to deepening managerial capabilities and advancing towards CIBN Associateship status.
