Source: Economist Intelligence Unit

Lagos is the **10th worst State** in the ease of doing business rankings in Nigeria

A life expectancy of 49 years puts Lagos in the bottom half of Nigerian states.

LAGOS

To get away from the current underperformance into the light of a new Lagos we need a bold vision for human capital development.

This centres around Education

LAGOS

BIG IDEA

We will, IF NECESSARY spend up to **50% of annual budget** on an **Education** driven economy.

TRANSFORMATION THROUGH EDUCATION

Infrastructure

Urgent Renovation
Teaching Aids, Technology
Provision of Water & Power,
Access Roads, Playgrounds
Healthcare Facilities
Increase in no. of Schools

Teachers

Quantity & Quality
Compulsory Continuing
Education
Conversion Programs

Quality

Development and
Maintenance**

TRIPOD FOR POSITIVE TRANSFORMATION

OUR LAGOS

- A global **mega-city** State populated by **well-educated, skilled, healthy** people living in a **secure** and **prosperous** environment
- Enables ‘Lagosians’ to achieve their personal, entrepreneurial and professional **aspirations**, regardless of origin, socio-economic background, physical limitations and gender
- Confirms its place as a **regional hub** for **financial** and **professional services** and **commercial enterprise** through genuinely **business-friendly reforms and initiatives**
- Works for all, based on inclusive **partnership** with the **private sector**, other **tiers of government, non-governmental interest** and **community groups** to improve access and delivery of economic goods and services

We will FACILITATE and NOT PARTICIPATE in your business!
